**SUPPLEMENTAL REQUEST FOR CERTIFICATE OF CORRECTION
PURSUANT TO 35 U.S.C. § 255 AND 37 C.F.R. § 1.323**

Mail Stop DAC
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 35 U.S.C. § 255 and 37 C.F.R. § 1.323, patentees and patentees' assignees hereby request that the U.S. Patent and Trademark Office ("USPTO") issue a certificate of correction (in the form enclosed) for the above-identified patent. This is a supplement to the Request for Certificate of Correction Pursuant to 35 U.S.C. § 255 and 37 C.F.R. § 1.323, filed June 27, 2008, which erroneously refers to U.S. Patent No. 6,797,470 -- not U.S. Patent No. 6,797,470. The present request corrects these errors.

A certificate of correction is needed to reword the statement of federal funding to comply with National Institutes of Health guidelines which is a mistake of minor character. This correction does not constitute new matter and would not require examination.

The Commissioner is hereby authorized to charge any fees, or credit any overpayment, to Deposit Account No. 14-1138.

Respectfully submitted,

Dated: August 26, 2008

Michael L. Goldman

UNITED STATES PATENT AND TRADEMARK OFFICE

CERTIFICATE OF CORRECTION

Patent No. : 6,797,470
Dated : September 28, 2004
Inventors : Barany et al.

It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

Col. 1 at lines 13-15, delete "This invention was developed with government funding under National Institutes of Health Grant No. GM41337-06. The U.S. Government may retain certain rights." and insert --This invention was made with government support under grant GM41337-06 awarded by the National Institutes of Health. The government has certain rights in the invention-- in its place.
